

Belvedere Family Church: Celebrate True Parents Day with Your Families

Drissa Kone
April 4, 2019

Dear brothers and sisters,

BFC staff and I would like to wish you and your family a happy early True Parents Day!

This is a reminder that there will be no pledge service tomorrow; please take this opportunity to strengthen your family unions by celebrating at home with your family members. This is an important time where we as individuals can celebrate becoming True Parents of our own families. I would encourage families to even conduct joint celebrations with other families. In addition, please take photos of your celebrations and send them to me at idrisena80@gmail.com.

As you all know, the Peace Starts with Me rally will be taking place this Saturday in Los Angeles, CA. Let's continue to offer our utmost support for the absolute success of this event and for True Mother! If you still have not made a contribution, please click on the button below to offer your heartfelt donation, I also ask for your and your family's prayers for our True Mother as she is about to make history once again!

Thank you for all the continuous love and support from each and every one of you.

Sincerely,

Dr. Kone

True Mother is coming to Los Angeles on Saturday, April 6, 2019. She is excited to visit America again, and will be speaking at the City of Refuge church in front of 5,000 blessed couples.

Preparations are going strong, and everyone in Subregion 5 is excited to welcome True Mother to the West Coast. We feel this time is very significant in the providence, when True Parents are invited to speak at a mega Christian church after a large Blessing is conducted in the church.

We'd like to ask you make a donation to support this event. Every contribution you prayerfully offer will be greatly appreciated. Every offering we make contributes to our 2020 victory.

Let's offer our best to a great victory of True Parents in LA on April 6!
