ARO is a new program organized by some of our amazing older brothers and sisters.

It stands for Attitude of Raditude Outings, and it is a chance to discover an unconventional and new way of loving God, nature, yourself, and others. Youth will embark on adventures in God's creation, grow their understanding of one another, receive content, get a fresh and new perspective of the principles, and most importantly have fun! (25 spots are available, additional charge of \$65 per person.)

It's gonna be Awesome : )
