Dear Belvedere Family Church,

Greetings brothers and sisters! Thank you everyone for your continuous effort in your outreach activities in preparation for our upcoming Peace Starts with Me rally on December 28th. I have attached below a Registration form for anyone who needs to register church congregations and guests to invite to the rally. This way you can keep track of the guest's contact information and how many tickets you will need to prepare. Please click to download and print out the form below.

We are only a month away from Peace Starts with Me! Let us continue to spread the word for our True Mother.
