

## WFWP Norway's Gingerbread Cookie Mommy and Me Meeting

Steinar Murud  
December 2, 2017

WFWP Norway held a Mommy and Me meeting on 2 Dec 2017 with gingerbread cookie decorating. It was lots of fun for young and old!

The purpose of Mommy and Me is to create a place where parents with small children can meet regularly so that both mothers and children can bond together and build supportive friendships with one another.

By supporting mothers of young children, we are reaching out to affect positive change in the family from its start.
