Here is a short biography Welborn wrote about himself before passing:

"I'm a proud Unificationist who is blessed in marriage to Karen Lisbeth Kardel now for 33 years with one grown son who is blessed to a wonderful daughter-in-law. I love God, my family and my country.

I grew up throughout the South, studied in a Catholic seminary and since have traveled to every state except Maine and Alaska.

I've been to Germany, Italy, France, Korea, Lithuania, Ukraine and Russia. I've been on Pioneer missions, as a lecturer and fundraising captain. I love reading and teaching about history, the Bible and Divine Principle."

We would like to help offset the funeral costs, as well as help Karen-Lisbeth with the hospital bills for Welborn and give herself some time away from work. Welborn had to stay in the hospital and ICU for over 2 weeks and additionally right before he had his stroke Karn-Lisbeth left the hospital herself due to serious arm injuries.

His wife Karn-Lisbeth works as a night receptionist at a senior living facility. She has disabilities and even before Welborn's passing was having a hard time retiring. The job is very stressful and because it is a night job she sleeps during the day and is unable to have a normal life. It is very unhealthy for her and hopefully with the support of her friends and family she will be able to soon retire and take care of herself.

Please consider donating anything you can in memory of a man who gave so much to his friends, family and his church community. Through his mission work in many countries and guidance we know he has touched many lives.

There are no words to express how much he will be missed.

Thank you.
