Re. : Information Concerning the 189th Cheongpyeong 40-day Workshop and the 99th 40-day Special Workshop for Blessed Wives

May our Heavenly Parent's and the True Parents' blessings and love be with all regions, mission nations and providential organizations.

The Cheongpyeong 40-day Workshop, as an important workshop for inheriting True Parents' victorious realm and completing the three great blessings, was started from March 12, 1996 based on True Parents' words, and now the 188th Cheongpyeong 40-day workshop is being held in the midst of grace. The Cheongpyeong 40-day Workshop will be held for the purpose of double-checking one's faith, making a new start and solving individual and family problems.

Regarding the Cheongpyeong 40-day Special Workshop for Blessed Wives, True Father said; Heavenly Father can record all of it thoroughly, and will solve the contents one by one. Without doing this, you will never be able to resolve things. Father spoke of the significance of the Cheongpyeong 40-day Special Workshop for Blessed Wives saying that it is a period during which God remembers the details of the lives of the members of each blessed family, as well as providing an opportunity to engraft each blessed family to Heavenly Fortune.

Heung Jin Nim and Dae Mo Nim said that the path upon which Heavenly Fortune can stay together will be formed in the region or the church by those members who attend the Cheongpyeong 40-day workshop. Therefore Heavenly Fortune will be inherited through many members' participation in the 40-day workshop.

The 99th Cheongpyeong 40-day Special Workshop for Blessed Wives and the 189th 40-day Workshop are thus being held simultaneously, as noted below. Please notify all members of this workshop, so that many members can receive grace through the participation.

Please note that this official memo is intended for members living outside of Korea and Japan
