The Las Vegas Young Adult Ministry (YAM) members gathered on Saturday, October 28 to hear True Parents' vision on the Young Adult Ministry through the words of the National YAM Coordinator, Tasnah Moyer. Gi Sun Dennis and Kinesha McDaniel led icebreakers at the start of the event, which was immediately followed by a Korean BBQ lunch provided by True Parents. The attendees played volleyball after a delicious lunch.

The main event started with trinity group discussions. Many expressed the challenges they were facing in their groups, but many were also hopeful about what is to come for the Young Adult Ministry. The main reason for this day's gathering was to hear Tasnah Moyer speak about True Parents' vision for YAM. She shared that there are six things that we need to know and understand in order to receive the vision for YAM: ownership, honesty and self-awareness, relationships, God's guidance, devotion, and effort. In order to connect to True Mother's vision, we need to make sure that we make a daily effort as well as to strive to become the best at what we are doing to be able to become a channel that God can work through. The Youth Pastor, J. Yanai, also presented the LVYC's calendar schedule for the next three months and asked for suggestions regarding upcoming events. The event concluded after the YAM members helped clean and set up for the next day's Sunday Service. Many stayed on to play volleyball and enjoy the rest of the day.
