“The Garden of Eden centered on Adam and Eve was the **free ideal world** and at the same time world of hope. ...After human being fell, the direct relationship to Heavenly world, the ideal world, was cut. There became a distance between human being and Heaven. To close this distance, there needs to appear a being of Principle. The 2nd Adam and Eve need to appear.”

God had a judgment to cleanse this age. That was Noah's judgment. What was to be found and established as consequence had its purpose as the **original free ideal world**. Noah was chosen to restore, after the judgment, centering on one tribe that has been selected after distinguishing.

4. Free Ideal World is the world where the purpose of creation has been fulfilled. (Wonpil Kim's manuscript, 172)

“In the human world, the progress toward ideal is paused. Due to action deviating from the Divine Principle, humans cannot grow. ∙∙The ideal family is restored from the love of Heaven's Will.
