The bestowment of the Cheon Il Guk Holy Items and a second Special Grace Holy Wine Ceremony were held at the Washington, D.C. Family Church on Sunday, September 25, on the foundation of the 120-day special prayer condition offered by the Washington, D.C. Family Church members for the 40th Anniversary of the Washington Monument Rally that was victoriously celebrated last weekend.

Seven families participated in the Holy Wine Ceremony and 32 families received the Cheon Il Guk Holy Items. Many brothers and sisters participated in the ceremony and we were also blessed by the presence of Rev. Richard and Mrs. Marjorie Buessing, the Itinerary Workers (IWs) of the East Coast. After singing holy songs and offering bows to True Parents, we recited the Family Pledge followed by an invocation prayer and the explanation of the significance of the Special Grace and the Cheon Il Guk Holy Items. We then proceeded with the Holy Wine Ceremony, the bestowment of the Holy Items and we listened to True Mother's tearful prayer. We concluded the day with three cheers of *Eog Mansei* (victory) and a benediction prayer by Mrs. Marjorie Buessing. We sincerely thank Heavenly Parent and True Parents for this special day.
