HJ CheonBo Great Works

February 4-5th

Dear Brothers and Sisters,

We have opened the North American group registration for the Special Great Works scheduled for February 4-5, 2023. At this

time only the general workshops schedule is available, as you can see in the attached memo, and the HJ CheonBo Training Center website: *en.hjcbt,org/*

The exact schedule will be available soon on their website and we will send another reminder, but we wanted to start the group registration. As always, the group registration is for the workshop participation fee only. If you would like to apply for any liberation or Blessing, please connect directly with the HJCBT Int'l Office. The deadline for individual applications is January 25.

If you would like to register for participation in the online Great Works workshop only (without ancestors' liberation or Blessing), **please register through the following form:**
hsa.regfox,com/group-registration-for-the-great-works-february-2023

North America Group Registration Deadline:
January 27, 4 am Eastern

Shortly before the workshop, we will send everyone registered the link to watch the workshop. The HJBCT website *en.hjcbt,org/* will have the most updated schedule, and live broadcast access.

If your local church is hosting a local gathering, you may join there as well, but you still need to register for the workshop with the fee. The HJCBT Office will offer our name list before the event begins, so it is important to register and offer the workshop fee to be officially included.

If you have any questions about this particular registration, please contact me at *tzorer@ unification,org*

Thank you,

Tal Zorer
Executive Assistant
