DMV Witnessers Newsletter

Today's Witnessing HDH:

"What is witnessing? Witnessing is inducing people to leave the satanic world with a smile and follow the heavenly path. You have to understand this. Do you understand? When I look at the way you do witnessing, you force people to come, completely disregarding whether or not the person likes it; but this is not right. Man is a spiritual being. So pray for that person and see what happens; do an experiment..." True Father
