Emmanuel Allognon
December 16, 2018

As part of the preparation of the Blessing of 10,000 couples and to energize, advance and accelerate the activities of the Heavenly Tribal Messiah Ouémé and Plateau, a Special Service on Sunday was chaired by the Special Envoy, Rev. Tatsuo SASAKI, on December 16, 2018

After the sermon, a communication was made on Tribal Messiah activities, emphasizing the importance of Heavenly Tribal Messiah and the testimonies that flow from it in order to motivate all the blessed families of the Department to invest in the Heavenly Tribal Messiah workshops and blessing.

At the end of the meeting a 12-day condition has been retained, during which each Family will have to bless at least 12 couples and in each center the blessed members will have to bless at least 120 couples. Moreover, from this month of December, all the families of the department must mobilize to bless each day at least 120 Couples until May 2019 and reach at least 12,000 blessed couples.

All the blessed families present have committed themselves to become Victorious Celestial Tribal Messiahs before the 2019 Foundation Day. For this reason each Blessed Family has chosen an area where they will work for that purpose.
