About the broadcast

Here you can watch the live broadcast from the ceremony. This is a simplified live transmission with a mobile camera and a simple microphone. You may therefore experience that sound, image and connection vary in quality. If we experience a breach in the broadcast, we will initiate a recording of the ceremony which will be made available as soon as possible.

This simplified broadcast normally ends inside the ceremony room.

JØLSTAD

Dear nephew, your body became uninhabitable so your soul had to move out, you just left us so far too soon 🥀 You fought long and bravely and for a while it actually looked brighter, but cancer is a powerful opponent. In the end it was the one that won 😞 Your teddy bear hugs and joy every time we met will be missed, as will th...

Dear Taka, we are very thankful we got to know you here on earth and for the moments we spent together with you. We are so sad you had to leave so soon. We will remember your warm heart for others, your funny sense of humor, your hugs and your loving energy. See you in the spirit world. Love from us
