Dear Brothers and Sisters,

First of all I want express my deepest appreciation to all of you for helping to make True Father's Seonghwa Memorial Celebration successful. With your support, this whole event became something that we all can cherish. I also want to thank Bishop Kim and Dr. Balcomb who made this event possible. Bishop Kim, Dr. Balcomb and all the head quarter team expressed their thanks to all of our brothers and sisters from district-3 for the supporting the event.

I am sure you enjoyed the speakers that testified their experience with True Parents and the wonderful entertainment that some of our members from New Jersey involved. Also, I hope you gained something memorable from this event as well as looking forward to what we to expect next. As Dr. Balcomb said, this is not just remembering and honoring what True Father did for America, but reviving ourselves so we can step forward for the 2020 goal.

I know all of you had many wonderful experiences throughout this event, I encourage you to write a short testimony about it and send to me. We can send these testimonies to True Mother to share our heart of appreciation and love.

I hope you enjoy the rest of the week and God Bless you!

Pastor Manoj Jacob
