

Clifton Family Church Enews for July 31, 2015

Manoj Jacob

Greetings from Pastor

Dear Brothers and Sisters,

How are you? I hope you all are doing well. Right now I am in India visiting my relatives. It has been really great to meet everyone there after a long time. It brought a lot of memories back as well as a time of closeness.

We only have *one more month* for the celebration of True Father's Third Seonghwa Anniversary. As you already know, there are a lot of things that Headquarter is hosting as part of the celebration. One of them being the **Peace Road** event, where there are **bikers riding all over the world to promote the Peace Highway** that True Father envisioned. In fact, just about a week ago, riders just rode through Los Angeles, San Francisco, San Diego, Portland, Seattle, and on their way to Kodiak. We are still given a chance to be part of history in the making at the **UN in New York City on Tuesday August 4th**. I really hope that some of you can make it to this event even if you only want to attend either the main one or just to ride a bike. Please read the details below for more information.

Finally, please also take the time to see what you can offer in honor of True Father before the Seonghwa anniversary. Let's continue to dedicate our time to promote the ideals that True Parents wanted to uphold in this world.

May God Bless you and your families.

Sincerely
Pastor Manoj
