

## Yankee Stadium Memorial Prayer Breakfast

May 27, 2016

Dear Brothers and Sisters,

I wish to invite you all to an American Clergy Leadership Conference (ACLC) in New York on May 28th at the Friendly Baptist Church, to commemorate True Father's Yankee Stadium Rally from 40 years ago. It will be an interfaith prayer breakfast where we can revive ourselves. After the breakfast, we will head to the Taqwa Community Center one block away for a barbecue gathering.

A number of men and women of God will also gather at the Yankee Stadium at noon (across from Gate 4) to recall, speak out, and pray to God that his grace will strengthen people of faith and his ideal will be realized in this great nation.

I encourage you to participate in this historic event to remember and revive ourselves so we can lead this country towards God's ideal. For more information please contact Rev. Esteban Galvan .

Sincerely  
Manoj Jacob
