Special Grace Ceremony Rescheduled

Dear Brothers and Sisters,

I am very sorry to inform you that the the Special Grace Ceremony and the education program to receive the holy items has been postponed to the end of August due to the delay in getting the special chests for the holy items. National HQ has ordered special custom build chests for all American membership to keep the holy items but it will take

few more weeks to get them. We will have the education programs, holy wine ceremonies and bequeathing of the holy items by the end of August and in September but the exact date and time for the education program and ceremonies will be announced in few days. If there are any families or individuals who won't be here during late August of early September and need some special arrangements or need more information, please let me know. Again I apologize for the inconvenience caused.

Sincerely
Pastor Manoj
