

## Clifton, NJ Family Church E-News - True Mother Coming to USA

Manoj Jacob  
October 7, 2016

### Greetings from Pastor

Dear Brothers and Sisters,

How are you doing? I hope all of you are doing well. This year has been an amazing year for the American Movement. 40th Anniversary celebrations of Yankee Stadium and the Washington Monument Rallies brought our movement to another level. On this foundation, in association with FFWPU-USA, Universal Peace Federation-USA is organizing an International Leadership Conference for parliamentarians from around the world. The program will be happening in Washington DC and True Mother will be attending the program from November 28 to December 1, 2016. True Mother is committed to restoring America and the world through educating civic leaders. I want to encourage all of you to invite influential leaders such as members of congress and other civic leaders to attend the ILC. Let's be with True Mother in bringing God to this country and to the world.

Also, you may have heard, devastating and deadly Hurricane Matthew left thousands of people in miserable condition and Hundreds of people lost their life. While we pray for the victims of this catastrophic hurricane let's also pray that it won't take more lives. Please take care of your health in this changing weather and have a good weekend.

May God bless you and your families.

Sincerely
