

Clifton, NJ Family Church E-News: Christians at Father's Seonghwa

Manoj Jacob
August 25, 2017

Greetings from Pastor

Dear Brothers and Sisters,

How are you? Hope you are doing well. First of all, let say a happy 25th blessing anniversary to all of our 30,000 blessing couples and their families. 30,000 couples blessing brought incredible victories to heaven. Let's all thank our True Parents for shedding blood and tears for making that happen.

Yesterday, during our District Pastors conference call I had heard from Dr. Kim that, preparations for True Father's Seonghwa Anniversary and the cosmic blessing are going very well. Particularly the response from American Christian leaders towards the clergy conference is phenomenal. All of those ministers are so excited about the invitation they have received from True Mother. The victory of Madison Square Garden is continuing, and our True Parents are bringing that success to Korea to save Korean Christianity. There will be more than a hundred Korean Christian leaders attending the Clergy Conference together with American Clergy. This conference will be opening a new era in the history and America will be truly playing the role of elder son nation. I ask all of your prayers for the success of the conference.

This Saturday we will have a Pastor's forum in our Church to appreciate all of our pastors who supported the Madison Square Garden program. Please attend the program and also it's a great chance to understand ACLC activities and introduce ACLC to any of your guests.
