

True Heavenly Parent's Day in Omaha, Nebraska

Mark Lincoln
February 8, 2016

The small but close-knit Unificationist community in Omaha, Nebraska held a Sunday Hoon Dok Hae (scripture reading) service with a beautiful offering table to celebrate True Heavenly Parent's Day. Pastor Mark Lincoln read some of True Father's words, followed by a reflection. They then had their Sunday Service to which families from Kansas, Ohio and Iowa came, as well as three guests. Miilhan Stephens, FFWPU USA Vice President, gave the sermon, speaking about his journey discovering the power of Tribal Messiahship. He closed by inviting everyone to pray for one person this week with all their heart and allow God to work. The community celebrated with lunch, an open mic and some group games.
