

Subregion 1 & 3: Northeast High School - Middle School Winter Workshop 2019

Edner Pierre-Louis

October 23, 2019

Hello everyone!

It's that time of year again where the yearly Winter Workshop is approaching except bigger and **BETTER!**

This year's winter workshop is a joint workshop with SR1/SR3.

There will be two simultaneous workshops going on: a middle school workshop and a high school workshop!

We will focus on the idea of understanding our roots, what it means to be BCs, and what it means to have a relationship with True Parents. With that foundation, we will aspire to evolve and take ownership of our lives of faith and become better versions of ourselves.

This will be an exciting workshop, and much bigger than we are used to, but a great chance to really impact so many peoples' lives. We will be going to the rally on the 28th to see True Mother, where we'll also meet up with the SR2 winter workshop and do a joint activity for a few hours before the rally.

WHEN: The workshop runs from Friday, Dec. 27th through January 1st.

COST: Each participant costs \$200. On the registration form, you will be asked to either send a check or pay through Venmo. More details are on the registration form.

Please note that this includes the December 28th Rally with True Mother. You do not need to buy a

separate ticket.

LOOKING TO STAFF: We are looking for those interested in serving as team leaders for both the middle school and high school workshops. The team leader fee is \$80. The application deadline is Nov. 3rd.
