

3-Day South Asian Youth Leadership Seminar in Kathmandu Nepal

Santosh Paudel
September 15, 2016

A stunning and enthusiastic 3-Day South Asian Youth Leadership Seminar has been successfully concluded on September 12-15, 2016 at Kathmandu Nepal, which was organized by UPF-Asia.

There were 87 total of gorgeous participants who participated the leadership workshop, 53 from Nepal, 33 from Bangladesh and 2 from Sri Lanka.

During the opening ceremony, we had prominent leaders of the society, Ambassador for Peace and Religious leaders from Buddhist, Islam and Hindu among our participants.

The Special Cheon Il Guk Emissary and Regional president of Asia, Dr. Chug Sik Yong and the Special Cheon Il Guk Emissary and Education Director of UPF-Asia, Dr. Robert S. Kittel gave the life changing lectures.

Dr. Yong urged the participants to *“Becoming a model Peace Maker through conquering oneself, making peaceful families and caring for one nation”*. A meaningful and deep presentation was given by Dr. Kittel to the young Adult, *“to keep their purity”* and live for the Sake others”.

The strong presentation that the participants heard from the lecturer were the very basis points for the young adult to determined themselves to help their nation to become peaceful and prosper. One participants from Bangladesh said *“My duty now is to take responsibility and responsibility is my power to change my nation”*

After the presentation of the Father’s Life Course by Rev. Santosh Kumar Paudel, FFWPU-Nepal

president, the participants were so moved and shed tears. One of the participants said: *“I cannot imagine like Father Moon a man of sacrifice for sake of the world”*. And He added, *“I have my vision for my country and as my contribution for sake of peaceful community, I determined to help the UPF and its affiliated organization to work in our country”*.

The participants of South Asian Youth Leadership Seminar are eager to participate and organized their own peace activities according to their field of ability.

The participants from Nepal are determined to go to next level of education.
