

79 attend 3-day Heavenly Tribal Messiah seminar in Douala, Cameroon

Edwin Plekhanov
May 22, 2016

FFWPU Cameroon: A 3-day Heavenly Tribal Messiah seminar was held in Douala from the 20th to the 22nd of May 2016. There were 79 participants who attended this workshop. The presentation and explanations were given by our national leader Rev. Edwin Plekhanov who has been touring the nation to enlighten members on the current orientation of the providence in accordance with True Mothers' guidance and instructions.

The purpose of this seminar was to educate members on the importance of Heavenly Tribal Messiahship and to encourage everyone to immediately get involved in tribal messiah activities for the restoration of our nation and the accomplishment of vision 2020.

On the first day of the seminar, members were brought to understand the significance and history of the term "Heavenly Tribal Messiah" and how True Parents progressively developed the providence from the level of servant of servants through the 8 stages to the level of God.

Rev. Edwin explained in detail how we must witness to complete each of the 8 stages in order to complete our mission as Heavenly Tribal Messiahs.

On the second day he presented the models developed in the Philippines, Thailand and Nepal which has been approved by True mother and how this model could be developed and expanded and adapted to our nation in order to restore our nation.

On the third day all participants were organized into groups according to their tribes and each discussed how to they can organize to support its members one at a time to complete their responsibility.

Also, there was the ceremony to offer the Wonmo Pyeongae scholarship to the second generation who distinguished themselves by their outstanding results and exemplary behavior.

All members who participated in this seminar were inspired and motivated and returned with a renewed determination and a clearer vision of how and what needs to be done as individuals, as couples and as families to accomplish vision 2020.
