On June 2, the first Hyo Jeong festival organized by YSP – Brazil was held at the National headquarters. More than 250 people, including members and guests participated in the event. The event included eight presentations, dance and music, rewarding three of them in a friendly and lively competition.

The event featured the words of the president of YSP Latin America, Mr. Samuel Ota Linhares, who spoke about Youth and Student festival and its activity worldwide, explaining its meaning and purpose, as well as explaining the deep meaning of "hyo jong" filial piety towards Heavenly Parents and True Parents, to young people who, sharing this heart, gave their best in their presentations and created a heavenly atmosphere.
