IAYSP Cambodia together with Heavenly Top Gun Missionaries from Japan successfully conducted the 4-Day Youth Leadership Seminar with the theme "Unlock Potentiality Within You" on April 4-7, 2024, at FFWPU Cambodia Headquarters, Phnom Penh, Cambodia.

All the IAYSP Cambodia and Heavenly Top Gun Missionaries from Japan are excited to do the 4-Day Youth Leadership Seminar. It is because most of the participants are the result of their witnessing activity.

During the first and second day of the workshop participants received an important part of the Divine Principle lectures and they were really inspired and knew the principle step by step. Top Gun Missionaries prepare well the environment and atmosphere preparing the performance and games during the break time. On the third day of the seminar participants received a fundraising lecture and they did a fundraising activity to experience Heavenly Parents heart and raise fund for the food-giving project for the last day activity of the seminar.

All the IAYSP Cambodia, Heavenly Top Gun Missionaries, and youth participants really enjoyed, learned many things, and realized many things through this seminar. Somehow they unlock their potential within themselves through this youth leadership seminar. All the youth participants are determined to apply all the learnings and realizations during the seminar when they come back to their homes and respective responsibilities.
