

Youth and Students for Peace Launched in Albania

Majlinda Ziko - May 13, 2019 – Tirana, Albania

In the presence of around 120 students of the European University of Tirana, Youth and Students for Peace (YSP) was launched in Albania and warmly welcomed by the student community.

The ceremony on May 13 was held in the main hall of the university, which is one of the main educational institutions in Albania.

Youth and Students for Peace is committed to empowering youth and students to become global citizens through character education and peace projects supporting the UN Sustainable Development Goals. Therefore we are very inspired to start this new journey for young Albanians to advance world peace.

The hall was filled with students, project managers, NGO directors, Ambassadors for Peace, and CARP Albania members who had gathered to launch this new providential organization.

The program beautifully combined artistic performances, congratulatory addresses, keynote address, and Youth Ambassador for Peace appointments.

Mrs. Odeta Cacaj, the dean of students, gave an inspirational speech in which she appreciated the vision of YSP and expressed her desire to continue this cooperation in the future.

Mr. Gaqo Apostoli, the chair of UPF-Albania, greeted the participants with empowering words and a beautiful song. Rev. Shin, the special envoy of True Parents in Albania, explained about the meaning of Youth Ambassadors for Peace.

The keynote address was given by Ms. Jeong Hye Yeom, the director of YSP for Europe. She enthusiastically explained the vision and goals of YSP, touching the hearts of the young participants with her motherly heart.

In the end, we had the pleasure to appoint the first 12 Youth Ambassadors for Peace. The certificates were given by the Albanian national leader, Rev. Gani Rroshi, and Ms. Yeom.

This was just the beginning! A new and inspiring journey awaits us! We will do our best to create the right environment for young, talented people in Albania and, together with them, welcome True Parents in October 2019 in the best possible way!
