

Appreciating Mitsu Fukusaki, of Tempe, Arizona Family Church

Elisabeth Henning
November 12, 2016

Mitsu returned from GPA and has invested himself out of his own interest in our youth. He creates programs and keeps parents informed about what happens at these meetings. The best thing about him is that he believes in True Parents and the Divine Principle. Even though he has not officially been appointed as a youth pastor, he is the best!
