Vilnius, Lithuania

In Vilnius, Lithuania Sunday, December 8 seminar on the Significance and Value of the Blessing was conducted by Galina Chernomorets, East Europe BFD Director.

Many families and young member attended. It was good to remind ourselves of the preciousness of the Blessing, and importance to pass it to others. On Saturday, Galina moderated blessed wives meeting on the topic "How to fill the atmosphere at home with love". Sisters were moved and shared deeply, some came for individual consultations.

It was an intense weekend. We appreciate EE BFD Director's coming to Lithuania.
