## Matching Education Program for First Generation

On May 4, there will be a virtual Blessing Education for new First Generation Members from 9 AM – 3 PM EST.

This Blessing education program will introduce the matching process and the Marriage Blessing for single members who are joining our movement to help them understand the path to the Blessing--why the Blessing is important, why it is different from marriage, how it will change their lineage etc. They should have a basic understanding of the DP. Spiritual parents, Pastors, matching supporters and interested members are all welcome and encouraged to attend.

For questions please email John Abelseth at [john.abelseth@gmail.com](mailto:john.abelseth@gmail.com) or Myrna Lapres at [mlapresmatchingadvisor@gmail.com](mailto:mlapresmatchingadvisor@gmail.com).

## Consider Your Own Legacy

**Family**  
*Growing. Connecting.  
Learning & Loving*

**with Myrna Lapres**

There is a tale about a student who visits a famous Zen master and asks for instruction in the way of Zen Buddhism. The master begins to discuss several topics of Buddhism like emptiness, mindfulness, and meditation. But the student interrupts the mastersaying, “Oh, I already know that.” The master then invites the student to have some tea. When the tea is ready, the master pours the tea into a teacup, filling it to the brim, spilling tea over the sides of the cup and onto the table. The student exclaims, “Stop! You can’t pour tea into a full cup.” The master replies, “Return to me when your cup is empty.”
