Matching Education Program for First Generation

On May 4, there will be a virtual Blessing Education for new First Generation Members from 9 AM – 3 PM EST.

This Blessing education program will introduce the matching process and the Marriage Blessing for single members who are joining our movement to help them understand the path to the Blessing--why the Blessing is important, why it is different from marriage, how it will change their lineage etc. They should have a basic understanding of the DP. Spiritual parents, Pastors, matching supporters and interested members are all welcome and encouraged to attend.

For questions please email John Abelseth at john.abelseth@gmail.com or Myrna Lapres at mlapresmatchingadvisor@gmail.com.
