On the occasion of International Women's Day, we hold an event with 200 participants on March 16, 2018 at the Victoria Plaza Hotel in Montevideo.

During the event we awarded medals and commemorative plaques to 12 individuals and 17 organizations that worked for a better society. Through this event, WFPW Uruguay could be linked to other organizations and cooperation, and at the same time we also had the opportunity to help other organizations, to broaden the scope of their activities.

Above all, President of WFPW Uruguay, Mrs. Maria Rosa's network activities have been outstanding, and the unity of the board of directors, ambassadors for peace and all the family members, has become the driving force behind the development of WFPW Uruguay.
