True Parents' Words

“ You need to achieve oneness in heart with True Parents and become the best in your respective fields. In so doing, you are and shall be the unique heroes with no precedent in history who lead all 7.3 billion people into the embrace of Heavenly Parent and True Parents. Whatever environment you may find yourselves in, you will be victorious, I will do my best so that I can live longer on this earth and listen to your joyful, victorious reports.

True Parent's life was **Hyo Jeong's** life

“

If I asked you to create a picture of the kingdom of heaven on earth, what kind of picture would you paint?

You must first be able to express that kingdom through deep joy within your heart and through actions of your body.

You must express this, mustn't you?

You can express it through song or through art, or through the picture. This

is not only for conveying your own feelings, but is an exercise by which everyone can share with each other.

True Parents' dream is to make that kind of world.

”

“

True Parents are working to relate with the 7,4 billion people of the world. Is it possible for True Parents to do this by Themselves? You must work to make True Parents' dream into reality.

Therefore, as soon as possible, we must create the kingdom of heaven on earth, the realization of Heavenly Parent's dream, True Parents' dream, and your own dream.

There are many obstacles to overcome before that can be achieved. However, while I am still here, while you are here, we can do it!
