## WFWP Spain - Jesus Gonzalez Losada's: The Common Good presentation

Marcia de Abreu July 14, 2020

Jesús González Losada, President and Director of the Education Foundation for Peace with main offices in Uruguay, gave a presentation titled "The Common Good," a topic that allowed for a good philosophical introduction of Unification Thought.

Around 30 people attended from Europe and Latin America.

WFWP Spain was very grateful for this educational opportunity offered by Mr. González Losada.
