

Blessing Event

Barcelona, Spain, January 27, 2018

By Artur and Neta Beshaj

On Sunday January 27th, 2019 we have organized a blessing ceremony in Barcelona.

Thanks to the whole community from Barcelona, and with the help of Maryvonne, our National Leader who came from Madrid, we could gather more than 50 people, 16 of them received the holy wine for the first time.

Father Alfonso from Syrian Orthodox Church and one representative from Bahai Faith offered their prayer and readings at the beginning of the event.

After showing a short video of the blessing, we explained the significance and history of the Blessing ceremony and True Parent's vision.

In a very festive and familiar atmosphere, all the guests felt very happy and expressed their joy to participate in such an event. I think

this spirit of love and joy comes directly from Heavenly Parent and True Parents.

Such an event gives us confidence that we can really do much more, and we are happy to offer this event before Foundation Day to our True Parents.

Thank you to Heavenly Parent and True Parents and to all our brothers and sisters who participated and helped bringing their guests or their families.
