Donna Martijn
August 18, 2020

Dear Brothers and Sisters of the HPHC-EUME Region,

We the Committee of "The Concerned People Initiative" would like to invite you to our follow up Zoom meeting on Thursday 20th August at 7pm BST (8.00 PM CET). We believe that HP is calling and needs all members under the umbrella of the HPHC to work towards reconciliation, love and unity amongst the people of the world.

In this Zoom we would like to share with you about "Our Way Forward", which involves our Plans of Action and Methods of Approach. We also thank you for your supportive understanding shown when we chose to postpone the intended Zoom of 7th August in light of the preparations and focus for the Rally of Hope.

We were delighted that way over 100 participants joined us for the "Kick off Zoom" meeting on the 9th July 2020, and we were truly grateful not only for the presence of our Regional Chair and the Regional Leaders but also for the wonderful words of encouragement that they offered.

If you did not join the "Kick off Zoom" but would like to watch the recording, then you can watch it here:

In case you are hearing of our initiative for the first time and would like some background info, then please read the introduction letter below that was sent out to members for the "Kick off Zoom" (dates changed).

Concerned People Committee:

Invitation to Online Launch via Zoom

Thursday 9th July at 7pm BST

Four blessed couples from across Europe have come together to form a committee called Concerned People.

A member of our Holy Community in the Netherlands, Donna Martijn – originally from Guyana in South America – has been receiving inspiration and guidance concerning a deeper need for reconciliation between our black and white brothers and sisters. She realised that what we do or don't do as members has an impact in the Spirit World and on earth. Therefore, the Concerned People committee feels the need for members to meet each other, talk about our challenges, discuss historical issues, rivalries and resentments with the main objective to reconcile, unite and love.

Let us discuss, resolve, unite, love and go forward together as sons and daughters of Heavenly Parent and True Parents.
