

Dear Brothers and Sisters,

How are you? We hope this letter reaches you in good health and wellbeing. Please allow us to introduce ourselves to you. We are a group of four blessed couples and together we have formed a committee called 'Concerned People'.

A member of our Holy Community in the Netherlands, Donna Martijn originally from Guyana, South America has been receiving inspirations and guidance concerning a deeper need for reconciliation between our Black and White brothers and sisters. She realised that what we do or don't do as members have an impact in the spirit world and on earth. Therefore, we feel the need to meet each other, talk about our challenges, discuss historical issues, rivalries and resentments with the main objective to reconcile, unite and love. In November 2019 Donna talked to Dr. Balcomb about this briefly and he responded supportively.

The painful history between Black and White people needs to be addressed. We came to realize that first Black members should be willing to meet, discuss and reconcile amongst themselves. Thus creating a more stable base for inviting our White brothers and sisters to join us on the road of Reconciliation and Peace. This is because there are divisions on various levels and in different areas between peoples of African descent.

In 2018 True Mother conducted liberation ceremonies and prayers in Senegal, Gorée Island and also in Austria, Mauthausen concentration camp. Both were places of tremendous tragedy and of great significance for the restoration between peoples of the world. Based on True Mother's efforts and combined with the most recent present-day events in the USA, we sense that there is an urgent need to bring deeper unity among Black and White people centering on our members and through the process of Reconciliation, Love and Unity.

At this moment African communities are also being called upon to help our members all over the world to fulfil their Heavenly Tribal Messiahship quota which is very significant for restoration. Many blessed families from Europe have benefited from the said initiative in return for financial offerings made to some African countries. In addition, we believe that there is a need to bring an extra "Offering of Heart" to assist in clearing away the historical pains and resentments. True Mother has already started the ball rolling for us.

**We say: LET US DISCUSS, RESOLVE, UNITE, LOVE AND GO FORWARD TOGETHER AS SONS AND DAUGHTERS OF HEAVENLY PARENT AND TRUE PARENTS.**

Our long-term goal: reconcile broader enemy relationships.

Our mid-term goal: reconcile the relationship between Black and White people centred on our members.

Our short-term goal: reconcile the relationship between Black people centred on our members.

The immediate task is to hold a **Launching** Zoom Symposium on **Thursday 9<sup>th</sup> July at 8.00pm (CET)**.
