The ever growing Northwest Washington community celebrated the two Holy days on Sunday, August 12 at the American Legion Hall near Lynden, Washington.

Customarily, they would gather at one another's homes for Sunday Service and Holy Day celebrations, however due to the rapid growth in their community, it was decided to use the American Legion Hall which provided a great location, a low price and fine facilities.

After Bellingham Pastor David Ryan explained the meaning of the landmark proclamations, the celebration concluded with a prayer and Eog Manseis before feasting.
