## Chronology of the Life and Works of True Parents

### ◆ Guide to the Chronology

1. Major providential events and achievements that True Parents initiated or conducted are recorded in order of date. If no precise date is known the entry is marked n.d.
2. In choosing which events to include, priority was given to events that True Parents directly presided over or participated in.
3. For conferences, the date indicates when the event began or the day on which True Parents attended. For international speaking tours, dates reflect the full span of the tour plus the day on which True Parents arrived in the country.
4. Where dates on the lunar calendar or heavenly calendar are included, they are written in a shortened form, with the month and date, followed by LC for lunar calendar or HC for heavenly calendar. For example, 1.13 HC would mean the 13<sup>th</sup> day of the 1<sup>st</sup> month by the heavenly calendar.
5. To look up material related to itemized events in the Cheon Il Guk scriptures, the number of the corresponding page and extract number are indicated for content that can be found in *Chambumo Gyeong* and *Cheon Seong Gyeong*, and for *Pyeong Hwa Gyeong* the beginning page number of the speech that contains the related material is listed. For example, [CBG 122-6] refers the reader to excerpt number 6 on page 122 of *Chambumo Gyeong*. [CSG 1240-22] refers the reader to excerpt number 22 on page 1240 of *Cheon Seong Gyeong*; and [PHG 201] informs the reader that related content may be found in a speech beginning on page 201 of *Pyeong Hwa Gyeong*.
