Family Federation for World Peace and Unification (Hereafter referred to as Family Federation) held Dr. Hak Ja Han's Japan Speaking Tour Welcoming Rally at Cheongshim Peace World Center in Gapyeong, Gyeonggi Province at 10:30 AM on the 27th (Sunday) with a crowd of 20,000 people. 40 imams from the Middle East and about 3,000 church members from Japan and other countries joined the rally.

This event was held to celebrate the successful Japan speaking tour by Dr. Han, who visited Japan for the first time after the 1st Memorial Service for Reverend Sun Myung Moon to commemorate the 55th anniversary of Japanese mission. President Han successfully completed the speaking tour that was held in 5 large cities in Japan and attracted about 40,000 people starting with Hokkaido Rally in Sapporo on October 14th, and continued with Metropolitan Area Rally in Saitama on the 16th, Central Area Rally in Nagoya on the 16th, Jousinezu Rally in Nagano on the 20th, and Western Japan Rally in Kobe on the 22nd.

On this day, Dr. Hak Ja Han emphasized, "Korea's calling of becoming Father Nation is very important. After creating the ancestors of humans, Adam and Eve, God gave them a responsibility. The responsibility was to wait until the time comes. But they did not fulfill their responsibility and they were expelled from the Garden of Eden. If you do not fulfill your responsibility, you are relieved of the responsibility. 1st Israel and 2nd Israel did not fulfill their responsibilities. Korea was blessed as the 3rd Israel. Blessing is a position given when you fulfill Heaven's responsibility. We appointed a second generation leader, Kyung Suk Yu as Korean President. He will be one of important leaders until we practice what we believe in by becoming one with True Parents. All of first generation, young second generation, and third generation members should fulfill their responsibilities. Korea and Japan that fulfilled their responsibilities will become one and create world peace beyond Asia. Let's bring forward the day of victory before 2020."

Before the ceremony, a creative dance called 'We are one' was performed by about 60 college students, and with the chorus called 'The way to go, Unification march song' by Seonghwa student choir consisting of about 120 second generation and third generation middle and high school students, all generations made a resolution to achieve Vision 2020.

On the 26th, the event started with Kyung Suk Yu, who became Korean President for the first time as a second generation Family Federation member, as the MC. After Korean President of UPF, Jung Ro Yun led a reporting prayer, Chairman of Japanese National Blessed Families Association; Yong Cheon Song made a report on the speaking tour. Chairman Song said, "During this speaking tour, on the day before the Metropolitan Area Rally, the 26th typhoon of this year, Wipha, which was the strongest in 10 years, passed the area. However, even the typhoon couldn't stop the rally and about 20,000 people came to the rally, which was completed like a miracle. Political leaders and dignitaries who participated in the rally said, 'It is a miracle that the rally succeeded despite the typhoon. Unification Church members' fearsome passion is amazing.' People changing, that is a miracle. Through President Han's Japanese speaking tour,

Japan has changed, and it is a history of miracle" and he added "Let's move forward strongly to achieve not only Vision 2020 but also unification of Korean peninsula and become the driving force for the creation of Cheon Il Guk by Korea, the Father Nation, and Japan, the Mother Nation, which has achieved a miracle through this speaking tour, becoming one." After the report, a video of Japan speaking tour was played and Dr. Hak Ja Han made a speech. And the event ended with Chairman of Tongil Group, No Hi Park's three cheers.

It was resolved to make opportunities for Korea and Japan to become one with one heart by overcoming the history and work for world peace beyond Asia through this event.

세계평화통일가정연합(가정연합)은 27일 경기 가평군 청심평화월드센터에서 ‘천지인합 부모 일본순회강연 승리 환영대회’를 열었다. 최근 한학자 총재가 일본 순회강연을 성공적으로 마친 것을 축하하기 위해 마련된 이날 행사에는 가정연합 회원 2만여 명이 참석했다. 특히 전주청평수련원에서 통일원리 수련을 받고 있는 남아프리카공화국 기독교 목사와 이슬람교 이맘 등 40명도 참석해 눈길을 끌었다.

한 총재는 지난 14일부터 22일까지 10여 일 동안 가정연합 일본선교 55주년을 기념해 일본 5개 주요 도시에서 순회강연을 갖고 “일본은 어머니 나라로서 세계인류를 사랑으로 품어야 한다. 그것은 하나님이 일본에 내리신 큰 축복”이라고 강조해 5만여 일본 청중에게 깊은 인상을 심었다.

이날 행사는 유경석 가정연합 한국회장의 사회로 시작했으며, 기도·특별보고·일본순회 영상상영·축가·감사패 증정·양식식 전주평화연합(UJPF) 세계의장과 유경석 가정연합 한국회장에 대한 한 총재의 사령장 수여 등의 순으로 진행됐다. 한 총재는 강연에서 대한민국이 하나님의 섭리에 의해 하나님의 나라를 구현해 드려야 할 ‘제3의 이스라엘’로 선택된

배경을 설명하고, 이를 실천할 때 큰 축복을 받게 될 것이라고 강조했다.

“저는 일본에 가서 일본이 부자의 나라가 되라고 축복하고 돌아왔습니다. 한국도 마찬가지입니다. 여러분들이 인류의 생명을 살리고, 행복한 세상을 만드는 일에 앞장선다면 이 땅에서도 부자가 될 수 있으며 영원한 세계에

서도 그 상을 잊지 않을 것입니다.”

앞서 송용천 가정연합 일본총회장은 특별보고를 통해 한 총재의 일본순회 성과와 의미 등을 소개했다. 송 총회장은 “한 총재님께서 훗카이도 대회 때 첫 말씀이 '일본에 올 때는 언제나 시집보낸 딸네 집에 오는 심정'이라며 애절한 부모의 마음을 밝혀 참석자들이 눈시울

을 붉었다”며 “많은 일본인들이 외래종교가 정착하기 힘든 일본 풍토에서 통일교가 깊이 뿌리를 내리게 됐다고 입을 모으고 있다”고 전했다. 환영대회는 세계 194개국에 언더넷으로 상중계됐다.
