

나는 평생 평화를 위한 일에 몸을 바쳐왔습니다.

평화라는 말만 떠올리면 지금도 목이 메어 밥이 넘어가지 않고 눈시울이 붉어집니다.
세계가 하나되어 평화를 누리는 그날을 그려보는 것만으로도 그저 감격스러울 뿐입니다.
평화란 생각이 다르고 인종이 다르고 말이 다른 사람들을 하나로 연결하는 것입니다.

평화는 구체적인 행동이지 막연한 꿈은 아닙니다.

종교와 인종을 한데 어우르는 평화세계를 만들기 위한 길은 한없이 고단했습니다.

때로는 사람에 치이는 일도 있었지만 나는 그 사명을 저버릴 수 없었습니다.

나의 목표는 어제든 오늘도 하나님을 중심으로 하나의 세계를 만드는 것입니다.

私は、生涯平和のために身を捧げてきました。

平和という言葉을思い起こすだけで、今も喉が締め付けられて食べ物が通らず、目頭が熱くなります。
世界が一つになって平和を享受する、その日を思い描いてみるだけでも、これ以上ない感動があります。
平和とはそのようなものです。思想が違い、人種が違い、言葉が違う人たちを一つに連結することです。

平和は具体的な行動であって、漠然とした夢ではありません。

宗教と人種を一つにする平和世界をつくるための道は、限りなく苦勞の多いものでした。

時には人に妨げられ、時には能力の壁にぶつかることがたくさんありましたが私はその使命を捨てることはできませんでした。

私の目標は、きのうもきょうも、神を中心に一つの世界をつくることです。

自叙伝「平和を愛する世界人として」の本文中より

Throughout my life, I have dedicated myself to efforts for peace.

Whenever peace is discussed, I become emotional.

Tears begin to well up in my eyes, my voice chokes, and I can hardly swallow.

It moves me deeply just to imagine the day when the world becomes one and begins to enjoy peace.

That is the nature of peace. It links people who think differently, are of different races, and speak different languages.

However, peace comes through concrete action, not just having a vague dream.

The path to bring about a world of peace, in which religions and races become united, has been exhausting.

Many times, I was rejected by people, but I could not put aside this mission.

My purpose is the same today as it was yesterday. It is to create one world with God at the center.

The Meaning and Value of the Advent of the True Parents of Heaven, Earth and Humankind

Following the Fall of the first human ancestors Adam and Eve, God sent Jesus on this earth as the Messiah with the mission to fulfill the providence of salvation. However, because the Jewish believers and Israelites of the time did not fulfill their responsibilities, God sent the True Parents to Korea as savior of humanity and returning messiah.

True Parents are responsible for God's providence of salvation; hence, from a historical point of view, their advent carries unprecedented meaning and importance. This could be seen from the various events that occurred before their birth. Before True Father's birth, a golden pheasant sat on the juniper tree outside True Father's home and sang. While pregnant with True Mother, Hong Soon Ae Daemonim received the revelation, "If your child is a boy, he will become the king of the cosmos and if your child is a girl, she will become the queen of the cosmos." These and various other similarly wondrous events took place.

Just before the birth of True Father, the Lord of the Second Coming sent by God, Korea was in great crisis, suffering greatly from several years of Japanese occupation. On the international stage, the world was divided into two and colonialism was rampant; the world was plunged in a crisis reminiscent of the Last Days. Such extreme confusion at the national and international levels can be interpreted as a global foundation of indemnity laid for the returning Messiah to be born on earth.

God sent the returning Messiah on this earth as His only begotten son and carried out the providential dispensation to send the substantial Holy Spirit, the bride of heaven and only begotten daughter. In particular, Heaven raised the Holy Spirit religious groups and made tremendous preparations. This is why, before and after True Mother's birth, great movements centered on the Holy Spirit swept across the Korean Peninsula.

In order to save humanity, God prepared over a long period of time to send His only begotten son, the returning Messiah, and His only begotten daughter, the bride of Heaven. On this foundation, True Father and True Mother held the holy marriage of the lamb and emerged before humanity as the True Parents of humankind. True Parents have victoriously perfected, completed and fulfilled the providence of restoration; they are the original good ancestors of true love, true life and true lineage.
