The Peace and Family Festival, in Harare, Zimbabwe at the National Sports Stadium

You who have received the blessing today have gained the qualifications to go through the door to enter heaven. Human beings, whether in the past or the present, have longed for a united world of peace. Yet that dream is steadily growing more distant. The two hundred some nations that hold the 7.6 billion people of the world have borders.

The UN came into being seventy years ago for the sake of peace and unity, however, that UN has been

unable to fulfill its responsibilities. We are living in a world today, in which conflicts and barriers between religion, ideology and culture are steadily increasing.

How can we achieve a unified world? We cannot achieve this with human efforts or human knowledge alone. This is why we must understand and know the creator of this universe, God. The blessing event today becomes the path for a united world. All the customs from the past must be discarded and humanity must find the path heading toward a unified world centered on God.

Several rivers converge to form a great waterfall and that great stream of water eventually leads to the great ocean.

There can be no hope in things that do not follow God's circular laws of creation. For the past two thousand years, since Jesus went to the cross, Christian culture has dominated the world. Yet, until now, Christians did not know Jesus' essence. They did not know who they should be waiting in order to welcome the Messiah.

Blessed families that have received the blessing today, I said that it is through the True Parents that we can have this today's blessing. What is the ultimate destination of Christians and people in other religions? If they wish for a peaceful united world, they must have the qualifications to attend our Heavenly Parent, the owner of peace. You who received the blessing today have received the qualification to be a citizen of Cheon Il Guk, the place where we Heavenly Parent can embrace us. However, with this comes with responsibilities.

European Christianity spread Jesus' name to the world. Yet they did not know Jesus. Jesus clearly said to love your neighbor as yourself. However, those who went out into the world put the interests of their own nations first and harmed many nations. In particular, they did many wrongs here in Africa. They were bent solely on fulfilling their own interests and the interests of their own nations.

The only ones who can correct the past wrongs in history are True Parents. Earlier I said several rivers converge to form a waterfall, which leads to the ocean. Likewise, all religions must head toward the same destination as well -- that great ocean. The people who can guide all religions to that great ocean are True Parents, and the only begotten daughter, the True Mother.

I pray that all the blessed families born here today will become eternal, true blessed families who can open the doors to the kingdom of heaven on earth and the kingdom of heaven in heaven.
