The Abandoned "Cross of the Heart"

The Mighty One, God the Lord, speaks and summons the earth from the rising of the sun to its setting. Out of Zion, the perfection of beauty, God shines forth. Our God comes; he does not keep silence; before him is a devouring fire, around him a mighty tempest. He calls to the heavens above and to the earth, that he may judge his people: "Gather to me my faithful ones, who made a covenant with me by sacrifice!" The heavens declare his righteousness, for God himself is judge! Selah

*But to the wicked God says: "What right have you to recite my statutes or take my covenant on your lips? For you hate discipline, and you cast my words behind you. If you see a thief, you are pleased with him, and you keep company with adulterers. "You give your mouth free rein for evil, and your tongue frames deceit. You sit and speak against your brother; you slander your own mother's son. These things you have done, and I have been silent; you thought that I was one like yourself. But now I rebuke you and lay the charge before you. "Mark this, then, you who forget God, lest I tear you apart, and there be none to deliver! The one who offers thanksgiving as his sacrifice glorifies me; to one who orders his way rightly I will show the salvation of God!" **Psalm 50: 1-6, 16-23***

*When you enter your home, think to yourself, I am now walking into the Kingdom of Heaven." When you leave home and go out into the world, consider that you are going to expand the purpose of heaven. If you live every day like that, how can you possibly fall into hell? Heaven is determined by how you live. You don't need any special procedures or applications in order to enter heaven. You will find yourself in the same place as you were on earth. If you were in heaven on earth, you will be elevated into heaven in spirit world. But if you were in hell on earth, that is where you will go. **SMM, The Will and I, April 1, 1988***

Hello,

Hyung Jin Nim thanked everyone for their prayers and support. It has been a remarkable time - we have been at the Republican National Committee convention in Milwaukee, WI, Grand Rapids, MI, Atlanta, GA, Charlotte NC, Harrisburg, PA and then we traveled 30 hours to the Trump rally in Boseman, Montana.

The Montana Trump rally was awesome. Amazing that people kept a good attitude even though it took so long to enter the stadium and so cold with the wind chill from the mountains. The J-team and the K-team did a great job.

He thanked Kook Jin Nim for lending the Kahr Arms RV. Our team was there until 11:30pm that night. People were smiling and taking photos with the 2nd King in front of the Trump truck. So many people signing up for the MAGA album. Many interviews and connecting with many wonderful patriots. Patriot movement is moving to honor God.

They literally tried to blow President Trump's head off. There were people who were happy when they

thought he was killed, calling him "Hitler." There is evidence coming out that the shooter had encrypted, off-shore bank accounts, made visits to or near the FBI office in the DC area, and created sophisticated, remotely detonated bombs without any military training. The fact that the Secret Service has given so many excuses, suggests they are hiding something from the America people. Body-cam footage showed the local police warned the Secret Service about the shooter on the roof.

We are in a red-alert time. We need urgent prayer. God has elevated the MAGA movement from one advocating for freedom to a movement in which God's power was involved to protect the life of Donald Trump. Now they know that this is a battle between good and evil, God and Satan. Even though he is not perfect, he has been chosen to effectuate change in a Godly direction. We are seeing such unbelievable things unfolding before our eyes. We are thanking Heavenly Father for the protection He is giving Trump and his family. We are praying for our enemies to be saved and repent.

Trump is trying to stop Planned Parenthood from selling the body parts of babies. He defunded Planned Parenthood and the sending of funds to international bodies that promote abortions. He supports freedom and parental authority. Kamala Harris and Tim Walz openly support socialist and transgender policies. Even though King David was not perfect, God expected the Israelites to support him.

Beauty is similar across different cultures with proportions and standards tied to mathematics. The golden mean ratio 1:1.33. The modern art movement rebelled against these standards of beauty, embracing ugliness, with art works like the cross in a jar of urine, etc. dress in goth clothes, paint their lips black, engaged in self-absorption, but at night become a goddess with imaginary "super powers." Those on the political left have [higher rates of mental illness and depression](#). At the Paris Olympics we saw a man with a beard wearing a women's dress. They are in a God-rejecting cult that embraces ugliness.

The ex-Communist nation of Hungary has maintained traditional family culture. Married couples with four or more babies pay no income tax for life.

God will judge the culture. If we can repent early, we can turn around the culture. It takes courage to stand up at this time, but this is needed. By the hand of God, Trump was saved from assassination. He showed real spiritual power and stood up, shouting "fight, fight, fight!"

We need to understand that God is guiding history. We will meet God when we confront evil. It's not enough to just pray and sit in the pews, we need to stand up!

The Relationship between God, Satan, and Fallen Man

*So the Lord God said to the serpent:
 "Because you have done this,
 You are cursed more than all cattle,
 And more than every beast of the field;
 On your belly you shall go,
 And you shall eat dust
 All the days of your life." Gen 3:14*

The BBC documentary about Rod of Iron Ministries is coming out in September. A weak Christian culture of tolerance is insufficient to challenge the Islamic Sharia culture that is destroying many nations in Europe. America needs strong Peace Police Militia men and women who are also loving and invest in real assets of their children and grandchildren.

Leftists talk about "saving democracy," but they removed Biden and installed Kamala with no vote. They are experts in the use of propaganda.

He then led us in a short complete prayer- thank you Father, "I am alive at this epic moment when God given us so many rights." He prayed for the protection of President Trump and his family. Let America be resurrected and revived. Bring justice and peace back to the land.

The Abandoned "Cross of the Heart"

by John Williams

There is a point I want to share that I haven't heard anyone discuss elsewhere: Mother's* indemnity foundation is supposed to be her forbearance with all the emotional pain that she experienced as a result of taking her mission and her relationship with Father**. This is especially true regarding his involvement with other women.

From what I recall of reading Father's words and hearing him speak, this is supposed to be the "cross of the heart," I think it was called, that she is to bear without complaint. Sharing her husband with other women is exactly what Sarah could not do, Elizabeth could not do, and a parallel was the challenge that Judas could not face, Joseph could not face, and others - Lucifer being, of course, the first one.

Her complaining about Father's** involvement with other women, in fact, elevating it into a new part of God's teaching in effect, is seriously problematic. It is perhaps similar to Jesus retracting his revolutionary forgiveness of his enemies on the cross. If Jesus could not forgive his enemies, demonstrating God's love for Satan's people, if Father** had not demonstrated forgiveness of his enemies, then he would've been disqualified as the representative of God on earth.

Mother* complaining, and actually spreading her grudge to us children, is possibly negating her indemnity foundation. It seems like a horrendous development. Given that she did not suffer externally the way that Father did, it seems like she is now destroying her own "claim to fame" that would have brought her into equivalence with Father, her new claims of divine lineage notwithstanding.

In other words, it's one thing for her to be teaching things that aren't true and elevating herself in a strange way above Father**, but she's also negating her qualification as the bride of Christ.

On a simply horizontal, humanistic level, for a widow to poison the memory of her deceased husband with falsehoods and distortions is one of the most dishonorable things that a wife and mother can do.

On a gut level, I am having a big problem respecting her as a representative of Father** and True Parents anymore. Her previous achievements stand forever, and the True Parents' foundation stands forever, but I wonder if the True Parents even exist anymore at this point. This is very distressing to me.

EDITOR'S NOTE:

*The reference to "Mother" by the author is referring to Hak Ja Han who was the 3rd wife of Reverend Moon. Due to her failures to uphold the position of "Mother", Hyung Jin Nim, the ordained and crowned heir to Reverend Moon, was directed by God to anoint [Kang Hyun Shil](#) as "True Mother" on September 23, 2017 since Hak Ja Han vacated the position that is foundational to the restoration of "True Parents" of mankind and revealed in the Divine Principle, that Reverend Moon** taught. "Father" is an honorific used to by followers that holds the founder in high esteem.
