True Parents inaugurated the
Universal Peace Federation(UPF)
at Lincoln Center in New York

UPF has been established with the role to help the understanding each nations which joined UPF.

Furthermore, UPF takes the responsibility to remove the world-level conflict and dispute that UN could not resolved.

The providential purpose of the establishing UPF is setting up UPF as the Abel position. The previous organization: UN was stand as the Cain position, so another organization which stands as the Abel position should be needed for leading the Cain position 's UN .

According to True Parents' words,
'Cosmos' consists on two words: heaven and earth and
means 'the Interreligious and International'.

‘Peace’ can be created by the body-heart relationship.

This relationship can be made at the society, nation, and global citizens and can be exist on harmony, cooperation, freedom, happiness, and resonance.

‘Federation’ is the moral community
which insists on the importance of publicity.

Today's UPF has the role of the special consultative organization under the motto 'One family under God'. This motto help nations, people, and religion understand each other.

“

On September 12, 2005, I proclaimed throughout heaven and earth the establishment of the Universal Peace Federation (UPF), which will enable God's providence to flourish. It is now possible for the UPF to serve as an Abel-type counterpart to the UN in the Era after the Coming of Heaven. It will renew the Cain-type UN and open the way for millions of ambassadors for peace throughout the world. These individuals have taken up my teachings, the way of the Heavenly Parent, which consist of the principles of true love and the ideal of the true family. Assuredly they will fulfill the heavenly call to create one family under God.
