True Parents' Entrance into Cheon Jeong Gung and True Parents' Coronation as the King and Queen of Peace in Heaven and on Earth

Esteemed leaders of all nations in the world, honored guests of Heaven who have gathered from every corner of the Earth to celebrate this treasured historic and providential day, and people of the spirit world and physical world who are being reborn as citizens of Cheon Il Guk.

In the name of all human beings in the spirit world and physical world, numbering more than three hundred billion souls, I offer boundless gratitude and glory to God, the Creator of all things, the eternal True Parent of humankind and great king of the cosmos.

The Cheon Il Guk path

I ask you to raise your voices high in praise of the victory of the True Parents of Heaven and Earth, the King and Queen of Peace in Heaven and on Earth. They have personally completed the entire course of restoration through indemnity in order to

save all human beings, who as descendants of the Fall would otherwise be eternally destined to wander in evil and suffering, ever sliding down the path to hell.

You stand today in the venue of a tremendous event in the history of God's providence. This event is unprecedented and not replicable. It is the day when the King of Peace finally ascends in glory. Please recognize that although they may not be visible to you, thousands -- tens of thousands -- of good ancestors of blessed families have come here. They are above your heads now, joining with you in celebration of this awesome moment. All nature is rejoicing, and heaven and earth resound with choruses of "Hallelujah!" If you truly understood the infinite value of this day, you would not be able to sit still. You would go throughout the world singing hymns of joy and dancing in ecstasy.

Do you know the significance of January 13, 2001? It was the day of the Enthronement Ceremony for the Kingship of God. For countless years, Heaven had been waiting for that event in eager anticipation. It was the greatest and most exalted celebration humanity had ever witnessed. On that day, Rev. Moon, who had been anointed as the True Parent of all humankind and had traveled a path of indescribable suffering and pain until he gained the final victory, offered his entire foundation to Heaven.

Returning earth to God

For tens of thousands of years, God had endured an existence full of lamentation and grief, even as he conducted his providence with a parental heart. When that enthronement ceremony was offered to him, it marked the moment of his long-awaited liberation and inner freedom. On that providential day, we declared to all heaven and earth that we would attend God as the vertical True Parent and Great King of Heaven and Earth, that we would unfurl and raise high the banner of Cheon Il Guk and that the new sovereignty of Heaven had begun.

For the next three years, we, the True Parents, held firmly to the helm while the winds of heavenly fortune

surged around us like a typhoon. On the foundation of True Parents' victory, we declared May 5, 2004 to be the Day of the Victory of the Number Ten Combining Two Halves (Ssang Hab Shib Seung Il). On that day, the True Parents brought to a close the era before the coming of heaven with its long years of grief, and opened the era after the coming of heaven, the new age when we can build a new heaven and a new earth. This marked the beginning of a great and historic revolution to return the earth to God as a substantial reality.

A dream fulfilled

Beloved citizens of Cheon Il Guk, today you are receiving amazing grace. You are participating in the Coronation Ceremony of the Substantial King of Peace in Heaven and on Earth, and you are being registered as citizens of Cheon Il Guk. You and your ancestors by the tens of thousands are receiving this grace along with you today, and they will thank you throughout eternity.

The Bible says, "But strive first for the kingdom of God and his righteousness."

Today you are witnessing the establishment of Cheon Il Guk, the substantial sovereignty in the era after the coming of heaven. By the first day of the new millennium, God had already placed Cheon Il Guk on the horizon. Who could have imagined though that being able to see the day when the King of Peace in Heaven and on Earth would ascend to his throne? You thought it was just a dream, but you are witnessing it in your lifetime.

Three-generation realm

Citizens of the kingdom of heaven, this is a precious and blessed day of victory and glory. Now, as the King of Peace in Heaven and on Earth, I will declare, on this thirteenth day of June in the sixth year of Cheon Il Guk, the fundamental duties and mission that every citizen of Cheon Il Guk must understand and live by.

First, as God is the vertical True Parent and you are true children of God, you will establish the realm of three generations in your family, perfect the four great realms of heart and attend God on the vertical axis for eternity.

Further, you will inscribe on your heart the need to uphold the king of peace, who is the horizontal True Parent, in heaven and on earth, and to live with absolute obedience on the horizontal axis for eternity as a citizen of Cheon Il Guk. You will make living for the sake of others, which is the practice of true love, the standard for your life. You will establish a true family and raise true children who are sinless and pure, thus protecting God's lineage and bequeathing it intact from generation to generation.

Obey your conscience

Second, no matter what the situation, you will live with your mind and body united as one. God has given you a conscience as your guide in accomplishing this objective. Your conscience knows everything about you. It has complete knowledge of every action and step you take; it even knows your thoughts. Your conscience knows all these things about you before your teacher or pastor knows. It knows them before your parents know. It knows them even better than God knows. So if you place your conscience in God's position over your life, and follow a course of absolute obedience, of "high noon" settlement whereby your life casts no shadows, that you will establish a realm of resonance between your mind and body and perfect their unity is certain.

Marriage for world peace

Third, the unification of the spirit world has been completed. The issue now is the people living on earth, in their physical bodies. They struggle in agony in the midst of sin and suffering, yet they are your brothers and sisters. Your third mission is to educate them and bring them home as people of Cheon Il Guk.

You need to educate everyone to understand that all human beings without exception are descended from the Fall and that they have to change their bloodline through receiving the holy marriage blessing from the True Parents. You need to continue the work of engrafting people onto the true olive tree, by having them participate in the grace of intercultural marriage, until the day when all human beings, numbering more than three hundred billion souls, are restored to God's lineage.

Connect with the spirit world

Fourth, you are created to spend about ten months in your mother's womb, about a hundred years on earth breathing air, and then all eternity in the spirit world. You need to understand that just as preparation in the womb is required for a healthy life after birth, you need to devote your earthly life to preparing

yourself for the next stage of life, in the spirit world. Never forget that in every time and place, your ancestors in the spirit world are with you. Be ever mindful to live in harmony with the spirit world. Sincerely communicate in prayer with the heavenly world, so that you may become perfected in your spirit self while living on earth.

For humanity's sake

Fifth, your talents and abilities are required for the management and governance of Cheon Il Guk. Now, therefore, cut away and cast off your mask of selfish individualism. It is just a remnant of the era before the coming of heaven. In addition, all citizens of Cheon Il Guk will provide funds for the wellbeing and peace of humanity, by taxation and by voluntary contributions.

They will demonstrate the model of offering the first three-tenths of their income for public purposes. This cannot be an imposed tax; it has to be a gift that citizens offer willingly to heaven with joyful hearts.

Love the natural world

Sixth, recovering the ideal world of creation that was lost as a result of the Fall is possible. God created everything in the universe as our natural environment. Human beings and nature are meant to share mutual resonance. Men and women as the subject partners of love and nature is the object partner thriving under our management and beautified by our creativity. We can no longer ignore or accept actions that destroy nature and pollute the environment.

As citizens of Cheon Il Guk, please exercise wisdom to protect and love nature. Return to nature to enjoy a life of liberation and complete inner freedom. To love nature is to love God and humanity. When human life resonates with nature, human character can blossom in perfection. The flowers of a true culture of heart, a true artistic world, will bloom. It will be the garden of Eden, the original ideal world where God, human beings and all creation live in complete harmony and express their original nature.

If you practice such true love in your daily life, how can God do anything but bestow great blessings upon you? You will live for all eternity in blessing and happiness.

Build the peace kingdom

Seventh, the era after the coming of heaven that God and True Parents have opened is a time of dramatic change. As registered citizens of Cheon Il Guk, you have the mission to make this era blossom and bear fruit in blessing and glory. Therefore, please become Heaven's emissaries, fulfilling the dual missions of the peace kingdom police force and peace kingdom corps. Serve humanity under the banner of the Universal Peace Federation, which is working to establish the position of the Abel UN.

Worthy countrymen and women, if not you, then who will nurture and protect the blessed families and this blessed planet Earth that God has given us?

Beloved people of Cheon Il Guk, I hope you truly will celebrate and enjoy this precious and holy day. The beautiful mountains, streams, trees and flowers here in the vicinity of Chung Pyung Lake are showering their blessings upon you as you prepare to embark on your ambitious journeys. Your descendants, too, will take pride that you participated in this long-awaited day, and they will honor and praise you forever.
