Ladies and gentlemen, God's creation is truly mysterious and profound. God created us as His children and to be the lords of creation. To this end, He gave each of us the highest and greatest gift -- a conscience. This special gift of a conscience is given to us as a compass to guide us through life in this earthly world. We can say that our lifespan may be one hundred years. Regardless of who we are, from the moment of our birth to the moment we die we cannot escape the influence of our conscience.

The most elevated function of the conscience is its role as our true parent, true teacher and true owner. In other words, our conscience acts as a true parent, true teacher and true owner on behalf of God, guiding our lives and educating us from the time we are born.

There are many people in this world who betray their conscience and act according to their body's desires. They hoard money, commit fraud, come up with schemes, and defame others. However, money accumulated in this way will eventually strike them back in the form of a rod of judgment. It is the same in the spirit world.

Ladies and gentlemen, the conscience comes first and precedes your parents, your teachers and even God. Many people do not realize its value because the body has been dominating the conscience.

Our conscience functions as a guide, keeping watch over our every action at every moment. It is aware of our every word, thought and deeds even before our parents, our teachers or God are. God infused into the conscience the fundamental function of guiding and supervising our lives.

Yet the conscience, which should be clear as crystal, has been clouded due to the Fall and is now unable to fully manifest its original function amid all manner of sin and spiritual sickness. That is why you must become people who can listen to the voice of your conscience, and cry out to be liberated even one day sooner and given innermost freedom from this evil world that is under Satan's dominion.

All you have to do now is trust in and follow the True Parents. With your conscience as your compass, attain the status of a true parent, true teacher and true owner. Manifest true love in your daily life, thus ensuring your eternal life in heaven. Heavenly fortune will speed you on your path, and your good ancestors who have received the Marriage Blessing will actively assist you in your activities. Have courage, and strive to go forward!
