Heavenly Father,

We now realize what kind of original family You have been looking for. We also realize that from now on we are destined to work toward that ideal family with all our hearts and all our strength. Please guide us and bless us, so that we can live a pure life, with a purified blood lineage, to become people who are embraced deeply in Your eternal love. When we realize how much suffering You have been going through in the process of history in order to restore this heart, we have nothing to say to You.

Father, please purify those of us who pledge ourselves in front of You, raising both of our hands, with the determination that we will offer everything to You. We are really grateful to You for the grace and love with which You have been protecting and guiding us so far.

We thank You, Heavenly Father, for having taught such a wonderful heavenly secret. We now stand in the situation which people in the secular world cannot even dream about, and we don't know what to offer You in return. Father, we now clearly realize that we must wholeheartedly offer ourselves to You on Your altar as substantial offerings. When we think of how much You have been suffering, we can never fully express our hearts of gratitude.

Also, we are truly grateful to our True Parents for giving us such a blessing and grace. We pray that from now on we really will go forward with determination and gratitude. Please guide us and encourage us, so we will never forget how much. You have been suffering, how many tears You shed, and we will help each other and comfort each other. Please guide us so that we can become a true husband and wife. We will keep deep in our mind what we have heard today. Please bless us so that we can become true ancestors and fulfill our mission. If we cannot fulfill, then we will have to hand down our task to our descendants from generation to generation.

Father, once again we ask You to guide us and protect us so that we can become truly worthy to serve as pioneers of the creation of the world of heart, the creation of new ideal families. We know that without You everything will be in vain, everything is impossible. We must not perpetuate a tragic history. Let us stand in the position to leave everything joyful behind us. Please protect us, Heavenly Father, and please bless us so that we can become a true family, a true husband and a true wife. We leave everything up to You. Please guide us. In the name of our True Parents we pray.

Amen.
