Loving Father,

Today is May 20, 1984, but actually it is to be considered one with May 16, when, at 12:54 a.m., I declared the Day of the Love of God. Through the unity on the family level expressed then at East Garden, today can be connected with that day of historical declaration.

Heavenly Father, please come and dwell amongst us now. Because of the unity between True Parents on earth and Heavenly Father, Heung Jin and Jesus in the spirit world, all 120 nations in the spirit world and all 120 nations on earth now have the right to resurrection.

Due to satanic love, we lost the sovereignty of God. But now, at this historical peak of Tang Gam, centering on the love of True Parents and the love of God, we restore this lost historical heritage and are able to declare the Day of the Love of God.

Oh God! Oh Earth! I proclaim that we stand united in the shim jung territory, with one mind and one ideal.

May God, True Parents, True Children, and all Blessed Families be united centered on the sovereignty of God's love. Let us form one heritage and march forward together.

May this day be one of great dignity. Please accept this declaration, in which I proclaim the Day of the Love of God in the name of God and True Parents.

Amen. Amen. Amen.
