Foundation Day for the Nation of the Unified

World has been celebrated

since September 3, 2004.

Father! I know how much You have been disappointed and driven to despair in the course of guiding me thus far, so please forgive this son of Yours. Also, I pray You will forgive at this hour all the wrongdoings committed by the members as they followed me through the process of establishing the Unification Church. Don't leave them in wretchedness, but please embrace them in Your bosom so that they can receive the blessing of Heaven as the standard-bearers and warriors You desired and as the princes of love You have appointed, and please establish them as Your children in whom You would not feel ashamed to take pride. Though I am embarrassed to say, I have raised my hand to bless them on behalf of Your heart in the name of True Parents, so Father, Father, I truly hope and pray that You will also make amends for it.
