

The UPF Founder's Life and Vision: World Peace through True Love

Dr. Sun Myung Moon
1920 – 2012

“Because we were born in love and lived our lives in love, love is also the only thing that remains with us when we are in our graves. We receive our lives in love, live by sharing love, and return into the midst of love. **It is important that we live our lives in a way that we can leave a legacy of love behind us.**”

President Kim and I held each other's hand as we walked down the hallway and took commemorative photographs. Then I left the residence.

After I had gone, I was told that President Kim told his son, Kim Jong Il, "President Moon is a great man. I have met many people in my life, but none were like him. He has a broad scale of thinking, and he overflows with heart. I felt close to him. It made me feel good to be with him, and I wanted him to stay for a long time. I want to meet him again. After I die, if there are things to discuss pertaining to North-South relations, you must always seek the advice of President Moon."

A Determined Man – Dr. Sun Myung Moon

“There is a saying that a person insulted by others lives a long time. If I were to live in proportion to the number of insults I’ve received, I could live another hundred years. Also, my stomach has been filled not with food but with insults, so you could say that my stomach is the most full of anyone’s.”

Heart of a Filial Son

There are 12 published volumes of Father Moon's prayers entitled:

"A Lifetime of Conversation with Our Heavenly Father"

Poem by Rev. Sun Myung Moon in 1935
when he was 15 years old.

CROWN OF GLORY

When I doubt people, I feel pain.
When I judge people, it is unbearable.
When I hate people, there is no value to my existence.

Yet if I believe, I am deceived.
If I love, I am betrayed.
Suffering and grieving tonight, my head in my hands
Am I wrong?

Yes, I am wrong.
Even though we are deceived, still believe.
Though we are betrayed, still forgive.
Love completely even those who hate you.

**Wipe your tears away and welcome with a smile
Those who know nothing but deceit
And those who betray without regret.**

Oh Master! The pain of loving!

Look at my hands.

Place your hand on my chest.

My heart is bursting, such agony!

**But when I loved those who acted against me
I brought victory.**

**If you have done the same thing,
I will give you the crown of glory.**

by Rev. Dr. Sun Myung Moon

Father Moon's Vision for a Peaceful World

The river does not reject any of the streams that flow into it. It accepts them all. People in the world today do not understand this simple truth. The streams that seek out the river and flow into it are the numerous religions and denominations of today. Each stream traces its origin to a different spring, but they are all going to the same destination. They are seeking the ideal world overflowing with peace.
