

#### 4 The Powerful Spiritual Works of True Family's Four-Position Foundation

*Hyo Jin Nim and Heung Jin Nim*

On August 27, 2015 (7/14 by the heavenly calendar), three days before True Father's Universal Seonghwa, True Mother emphasized that their first and second sons, Hyo Jin Nim and Heung Jin Nim, who had already gone to the spirit world, stood in the positions of Cain and Abel, saying, "We need to put Hyo Jin Nim's portrait at Jeongshim Won." True Mother clarified, "Heavenly Commander Heung Jin Nim stands at the center of the spirit world right now, but it's Hyo Jin Nim's turn to stand in the position to support True Parents as the first son." True Mother said that Hyo Jin Nim's portrait should be placed on the right side of True Parents' portrait, on their left side is Heung Jin Nim's portrait, and on the right side, the portrait of Hong Sun-ae Dae Mo Nim.

Hyo Jin Nim ascended on March 17, 2008, and his World Seonghwa Ceremony was held two days later, with 2,100 people attending, at the Chung Pyung Heaven and Earth Training Center. During the speech, True Parents explained the meaning of the calligraphic writing, 'Simcheon Gaebang-won, Chunghyo Gaemun-ju' (He will open and liberate the deepest heaven and turn it into a flower garden as the lord who opens the gates of loyalty and filial piety), which was bestowed on Hyo Jin Nim. 'Simcheon Gaebang-won' means deep, wide, and infinite garden that can open spirit world (Simcheon). And 'Chunghyo Gaemun-ju' means devoted children and loyal subjects who can be the lords of liberation by supporting

heavens original standard.

Putting Hyo Jin Nim's portrait in Jeongshim Won initiated a significant change in the spiritual atmosphere. Thus, during the 2015 Autumn Chung Pyung Special Great Works (October 23-25), the number of members who had spiritual experiences with True Parents significantly increased, and there were many who testified that they witnessed Hyo Jin Nim standing on their right side.

Now the system for ancestor liberation is well organized, bringing more absolute good spirits. The time has come for our members to come to Chung Pyung to experience the Chung Pyung Works. Coming to the Chung Pyung Heaven and Earth Training Center and joining the Chanyang Yeoksa will give you guidance in your life. The time is now open when the spiritual work at Chung Pyung is shared and the grace of ancestor liberation and ancestor blessing is led by True Parents' first son, Hyo Jin Nim and his second son, Heung Jin Nim, along with angels and absolute good spirits under the direct supervision of True Parents.
